Please be our guest...Schedule your party at the farm and enjoy 4 acres of corn. Corny you say? Where else can you get lost in 4 acres of corn with your friends and laugh about it? Okay, you watched "children of the corn" one too many times and now corn mazes aren't your thing. Then you can sit by the fire and cook up s'mores or sip on some hot chocolate under the stars. Planning an event for the daytime? Plenty of green grass and tables to have a picnic while the kids run around or maybe they can pick their own pumpkin in our pumpkin patch. Your options are only limited to your imagination. Our farm is fun for all ages and a wonderful place to create some lifelong memories.
